

## **ADDENDUM #1**

### **DESIGNER SERVICES 28 TAFT, 174 MILK, AND 24 FOREST**

**Date: September 6, 2018**

This addendum is to address questions received.

#### **Questions:**

1. Could you email me a list of those who have requested the RFP?
2. Under Section IX Briefing Session, there is contradicting information on where to meet. I assume the correct starting location is 28 Taft Street but can you please confirm?

#### **Answers:**

1. The RFP specifications holder registry is available at our website:  
<http://ncmhousing.org/Procurements.php> Click on the link for Specifications Holder Lists.
2. Designers are to meet at 28 Taft St. @ 10:00 a.m. for initial site visits. A briefing session will conclude the site visits at the LHA Main Offices located at 100 Main St. Leominster, MA. The instructions in Section IX are correct.
