## **RESOURCE BOOKLET**

Finding housing can be a sometimes difficult and frustrating process. Because we at NCM Housing Authorities are not able to house all applicants, we have compiled this booklet to assist residents in locating the resources needed to meet their needs.

**We are an equal opportunity housing provider.  
We do not discriminate on the basis of race, color, national origin,  
religion, sex, familial status or disability.**

Benjamin Gold, Executive Director  
Adam Gautie, Assistant Executive Director

We are pleased to introduce **North Central Massachusetts Housing Authorities**, (NCM Housing Authorities); a name we have chosen to represent our entity which manages several housing authorities within the northern central Massachusetts geographic region. Presently, the housing authorities included under the NCM Housing Authorities umbrella are **Leominster, Lunenburg, Sterling, and West Boylston** Housing Authorities. Each of the four housing authorities is governed by a separate Board of Commissioners. NCM Housing Authorities also manages the **Leominster Development Corporation (LDC)** and the **Allencrest Academic Learning Center**. The main administrative office for all four housing authorities and the LDC managed by NCM Housing Authorities is located at LHA Office, 100 Main Street, Leominster, Massachusetts 01453.

We provide rental subsidies for families, elderly, and handicapped or disabled persons. Programs are funded by both State and Federal Governments. Depending on the program, applicants can be housed either in private sector dwellings or apartment complexes owned by the Leominster Housing authority.

The Authority administers a variety of housing programs. These programs include the Section 8 Rental Assistance Program, (Private sector apartments, with rents subsidized by the Federal Government), State-Aided Family, Elderly/Handicapped units, and Scattered Site single family homes (These apartments are owned and managed by the Leominster Housing Authority, Lunenburg Housing Authority, Sterling Housing Authority and West Boylston Housing Authority).

Applications for public housing can be obtained at the administrative office at 100 Main Street, Leominster. You may download the application from the link below, but you must mail or bring the completed application physically to the office during normal working hours, (Monday, Tuesday, Wednesday and Friday 8:30-4:00, and Thursday 8:30-5:30), or at C.J. Durkin Building, 50 Day Street, Fitchburg, Monday through Friday 8:30 – 4:00. You may also download an application at [www.ncmhousing.org](http://www.ncmhousing.org) **If you are disabled and need some assistance in completing applications for housing, or need some other accommodations in the application process, please tell us.**

**The Leominster Development Corporation (LDC)** a non-profit subsidiary of the Leominster Housing Authority was formed in 1995 to develop and preserve affordable housing in our community creating eight affordable housing units. By the end of 1998, the Corporation had purchased and rehabilitated three multi-family homes in Leominster using both private and public funds in order to accomplish its goals.

In July 2008, the Rockwell Village development on Adams Street in Leominster was completed, furthering the goals of the community by adding fourteen additional residences of affordable housing for our residents. As planned, the development has 12 town homes and two single level units, one of which was expressly designed for a handicapped family.
